

**WARNING: THIS PRODUCT IS INTENDED FOR HORIZONTAL PULLING ONLY!
THIS PRODUCT IS NOT APPROVED FOR OVERHEAD LIFTING.**

WARNING: Failure to read and follow all instructions could lead to SERIOUS INJURY or DEATH

1. Read and follow all instructions and warnings in your vehicle owner's manual.
2. Never exceed the vehicle manufacturer's recommended capacities.
3. Secure the shackle mount to hitch using the proper size hitch pin and retaining clip or hitch pin lock.
4. Always use an approved towing line with this device, such as a tow strap, cable or chain. Rope is not an approved line.
5. Before each use, inspect shackle, mount, and line for damage. Only use components in good working condition.
6. Always use extreme caution when applying tension to line. Line breakage under tension can cause serious bodily injury.
7. Always make sure that no one is standing nearby when putting line under tension.
8. Be aware of surroundings and always use safe rigging practices.

This product is designed
for use with approved
towing devices **ONLY**.
